6. **EXCUSABLE DELAYS.** Bogen shall be excused and shall not be liable for any delay in the performance of any order, or in the delivery or shipment of products, or for any damages suffered by Buyer by reason of such delay, if such delay is caused, directly or indirectly, by Buyer's request, strikes, fires, wars, acts of God, subcontractor default, shortages in labor or materials, inability to obtain labor or materials through Bogen's usual and regular sources or at prices and upon terms commercially reasonable to Bogen, damage to plant, governmental regulations or other cause similar or otherwise beyond Bogen's control. The foregoing shall not be construed as limiting, in any manner, any of the rights or remedies available to Bogen under the Uniform Commercial Code because of any default of Buyer.
