Backbox Requirements: Single Gang

DESCRIPTION

The Clear Cover— Button Stations is a clear, plastic cover that can be added to a Responder 5 or Responder 4000 SLIM single or dual button station to prevent accidental pressing of the call buttons. The cover has a lip at the bottom to easily allow staff to flip the cover up to access the buttons. The Cancel button is not covered to allow quick canceling of calls. The cover is attached to the station via a metal bracket.
